

What's new with Santa's Posse?

In 1997, Santa's Posse was created as a way of contributing back to our community. We started with the collection and distribution of food for a holiday dinner and toys to 43 Clark County families. Each year we have raised our goal for families. This past Christmas, our department partnering with the Rotary Clubs of Clark County, collected enough food, toys and gifts to visit approximately 350 families including more than 700 children! A holiday dinner is a treat to any child so we provided each family with a food basket including a ham.

In addition to making a brighter season for children and their families, Santa's Posse also helps to increase Community Policing efforts in Clark County by providing positive contacts between law enforcement officers and families. We can help to bridge the gap with sheriff's officers and Rotary members collecting the donated items throughout the holiday season, and preparing them for delivery by Santa.

The collected items will be distributed to families in need prior to Christmas. This will be accomplished with our uniformed deputies and Sheriff's staff, accompanied by a Rotarian member and maybe one of our Santa's.

We have had a wonderful response to this worthwhile program. If you would like to

make a donation or participate in this annual event, give us a call! A representative of either organization will be happy to contact you.

Bring your donations of unwrapped toys, toiletry articles, cosmetics, small adult gifts and non-perishable food items to one of the listed locations on or before Monday, December 20, 2004.

We can also arrange to have donations picked up!
